ABOUT US

Fresh, premium fruits including strawberries, apples, bananas, and oranges abound at UAB's EU-RUS Law Service. They handpick each fruit for the best freshness and nutritional value, and they are committed to offering tasty, and nutritious choices.

Strawberries

Our fresh strawberries are bursting with taste, sweet and luscious. They are perfect for snacking, add to smoothies, or accentuate your best foods since they are high in vitamins and antioxidants. Selected for maximum maturity, every berry provides a taste of unspoiled excellence.

Apples

Our delectable, fresh apples are the perfect harmony of sweet taste and acidity. Loaded with vitamins, fiber, and antioxidants, they are a flexible addition to meals or a nice snack. Every apple is chosen for freshness and quality which offers a nice texture and taste.

Bananas

Our sweet bananas make a wonderful and filling snack. They are packed with vitamins, fiber, and potassium, they improve heart vitality and condition. Every banana has a creamy texture and natural sweet taste whether eaten on their own, blended into smoothies, or mixed with baked goods.

Oranges

Our freshly juiced oranges are filled with taste and vital nutrients. They are high in antioxidants and vitamin C; which increase hydration and immunity. Perfect for a cool snack or added to salads, smoothies, and juices, every orange provides a tangy, sweet touch of sunlight in every mouthful.
